Subject: Awareness of NEAT products among students - employability skills, bridge their learning gaps - Reg.

Dear Sir/Madam,

National Educational Alliance for Technology (NEAT) is a Public-Private partnership model between the Government (through its implementing agency AICTE) and the Education Technology Companies of India. AICTE is playing a role of facilitator between Ed-Tech companies and students /youth thereby enhancing their employability skills, bridge their learning gaps.

The aim of NEAT is to bring best technological solutions in education pedagogy for enhancing the employability of the youth. Technology solutions using Artificial Intelligence for customized learning or e-content in niche areas having highly employable skill development would be identified by a Committee of experts and showcased on the portal.

It is our pleasure to inform you that NEAT Portal First Phase has been launched by Honourable Minister of Human Resources Development on 12 January 2020 and 17 products from 15 Education Technology Companies have been finalized. All the product with their description is available on:

URL: www.neat.aicte-india.org

It is directed to the Institute to circulate the scheme among the students and faculty for awareness of NEAT scheme and to encourage the student to register on the NEAT portal for utilize the scheme.

For any further details write to neat@aicte-india.org / 01129581332
