

## 78th Independence Day Celebrated by Chandigarh College of Engineering & Technology (CCET) Diploma Wing Sector 26 Chandigarh.

Today 78th Independence day was celebrated in the premises of CCET Diploma Wing sector-26 Chandigarh. ML Rana, Principal was the Chief Guest on this auspicious day. He was received by Major Dr Rajesh Kumar, NCC officer, Vinod Mishra, NSS Unit in the presence of Head of Departments, Faculty, Staff, NCC Cadets and NSS volunteers. He inspected the passing out parade of NCC Cadets, NSS Volunteers and students of the college and received the Seluthe given by NCC contingent of the Institute led by Major Dr. Rajesh Kumar and unfurled the National Flag (Tiranga). He addressed the Cadets, Volunteers, Students and staff of the institute. He urged the audience for preparedness & participation of the youth particularly the cadets, volunteers and Students in the development of poor, down trodden people of society without which there is no meaning of celebration of freedom of Independent nation. He also emphasized the youth for their active participation in Haryana Ghar Tiranga Activities launched by the college. In his speech Principal inspired the youths to play their roles and contribution in achieving the developed India by 2047 and prepare themselves for successful organisation of Olympic 2036 in India, the dream of our Prime Minister. He stressed that if the lowest rung of people is developed, then only the nation will develop and progress in real sence. Sweets were distributed to all present. The Principal, applauded the efforts of organizers in making the day very special and memorable. With the play of National Anthem, the Independence Day Celebration ended with a vote of thanks by Sh Upendra Kumar, Coordinator of the event.
