

## CCET Diploma Wing Completes Successful Tree Plantation Drive

Chandigarh, September 17, 2024: The Chandigarh College of Engineering & Technology (CCET) Diploma Wing, Sector 26, successfully concluded its One-Day Special Plantation Drive on 17th September 2024, as part of the 'Ek Ped Maa Ke Naam' campaign.

With active participation from students, faculty, and staff, numerous saplings were planted across the campus, contributing to the nationwide goal of 80 crore saplings by September 2024 and 140 crore by March 2025. The initiative supports the larger vision of environmental sustainability and ecological balance.

ML Rana, Principal, Head of Departments, President Student Fund, Faculty, Staff and Students of CCET Diploma Wing actively participated in one day special plantation drive, "Ek Ped Maa Ke Naam"

The event was lauded by the college leadership, highlighting the commitment of CCET Diploma Wing to environmental conservation and education. This drive is an extraordinary step towards building a greener, more sustainable future.
